SPONSORS ARE REMINDED THAT ANY PROCESSION, PARADE OR OTHER IMPEDANCE ON A STATE-OWNED PORTION OF A STATE HIGHWAY REQUIRES AN ADDITIONAL PERMIT UNDER CHAPTER 81 SECTION 2 OF THE GENERAL LAWS, ISSUED BY THE OFFICE OF THE DISTRICT ENGINEER, MASSACHUSETTS DEPARTMENT OF PUBLIC WORKS, ARLINGTON, MASSACHUSETTS.

BY ORDER OF THE CHIEF OF POLICE:

Permission is hereby granted to hold a parade, procession or similar assemblage as described above, and to have streets and traffic blocked incidental thereto, subject to the terms and conditions following:

1. Acceptance of this permit is an explicit agreement to abide by the terms thereof and to accept the responsibilities and liabilities stated herein.
2. The holder of this permit shall notify the Fire Chief not less than 48 hours prior to the commencement of the event.
3. Sufficient uniformed police warranted to man detours and control motor and pedestrian traffic shall be present to effect the minimum delay to motorists and the safety of the spectators at no expense to the town.
4. Detours and alternate routes shall be capable of handling the average hourly volume of traffic for that time and place as determined by the Safety Officer.
5. The holder of this permit shall remove all debris incidental to the event from town streets, public property and that of abutters to the assembly and dispersal points and route of the procession.
6. The holder of this permit shall supply all signs, barriers and other control needed to effect detours and alternate routes and control the procession and shall place them before the and remove them after the event.
7. The holder of this permit shall be liable for the conduct of and acts by all participants and partakers in the event and agrees to save and hold harmless the Town of Framingham from any damage or liability, whether occasioned by use of the Town ways for this purpose or from damage to property or individuals caused by or incidental to the event.
8. This permit does not convey any right or prerogative or grant any permission required by any act or by-law other than article II, Section 2 of the Traffic Rules and Orders of the Town of Framingham; the holder of this permit is required to assure compliance with all other applicable rules and acts whether relating to use of State Highway or other public ways or for any other purposes and with all notifications to whatever agencies that may be required.
